Background Information

- ◆ Briefly summarize the applicant company and the key facilities or equipment being sought.
- ◆ Provide an indication of the importance of the requested infrastructure and the likely outcomes if the CI application is successful.

Project Overview

- ◆ Describe the specific infrastructure you are requesting funding for and provide an estimate of expenditure and timelines for acquisition and completion of installation.

Project Significance

- ◆ Briefly describe how the requested infrastructure will benefit the company's ability to significantly increase revenues and/or employment.
- ◆ Describe your strategy for implementing the activities necessary to reach the planned commercial objectives and the company's development plans beyond the CI Grant.

Need for Financial Assistance

- ◆ Why will your project not proceed satisfactorily without a grant? Are there other sources of funding for this or a similar infrastructure for which you have applied and/or received?
